

**The Dementia Engagement
and Empowerment Project**

Dementia Voice Worcestershire

Would you like to meet with others who are living with dementia at a younger age, to support each other and to share ideas which may then help others ?

Would you like to build friendships in a comfortable and safe environment, where you can talk openly with others about your experience?

Would you like to provide advice and suggestions on how we may bring about small changes to support people who are living with dementia at a younger age?

The group meets monthly at :

The Community Room,

Waitrose Supermarket, 223 London Rd

Worcester, WR5 2JG

The group will run on the first Thursday of the month in the morning (the only exception to this in 2017 being that we will meet on the 8th NOT 1st June). We have some funding for transport to enable people to access the meeting. If you would like to join us we would love to hear from you. If we have particular interest from a certain area of the County we may reconsider the venue. If you would like any further information or would like to attend the group please get in touch:

Jo Scarle (Young Onset Dementia Development Officer) joanne.scarle@nhs.net
